

Remarks

Consideration of this Amendment and reconsideration of this application are respectfully requested. Upon entry of the foregoing amendment, claims 77-97, 122-141, 166-186, and 205-246 are pending in the application, with claims 77, 122 and 166 being the independent claims.

The Examiner indicated that in the Communication Under 37 C.F.R. §§ 1.821-1.825 and Amendment filed April 30, 2001, "the marked copy of TABLE III and the clean copy of TABLE III are different (the clean copy recites 'MOTIFS' whilst the marked up copy recites 'MOTIF'S'". (Paper No. 26, page 1.) As such, the Examiner required Applicants to supply an amendment in compliance with 37 C.F.R. § 1.121. (*See id.*) In response to the Examiner's communication, Applicants submit a substitute clean copy of TABLE III as well as a substitute marked up copy of TABLE III in compliance with 37 C.F.R. § 1.121.¹

It is believed these changes introduce no new matter, and their entry is respectfully requested.

Based on the above amendment, Applicants respectfully request that the Examiner reconsider and allow the application.

¹Applicants note that TABLE III in the application as filed recites "MOTIFS".

Conclusion

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
